

Make an Owl Pom Pom

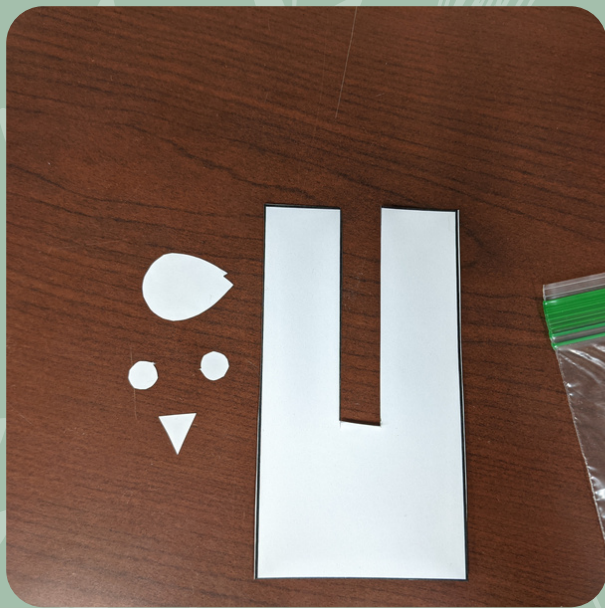

Gather your
materials.

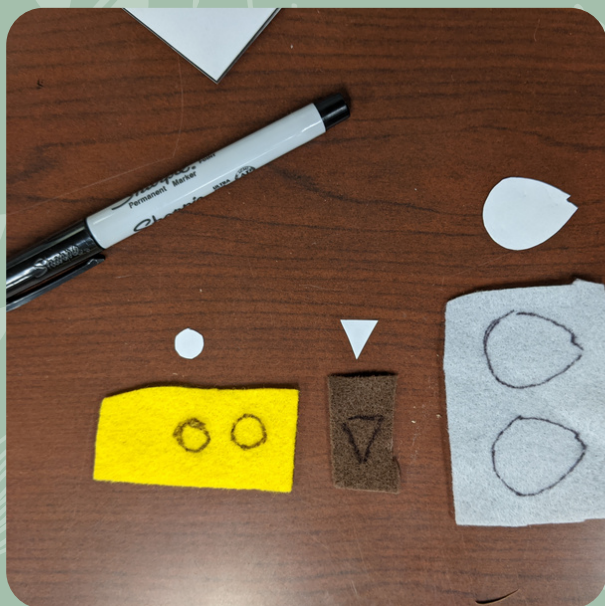

You will need:

- hot glue gun or
liquid glue
- scissors
- cardboard

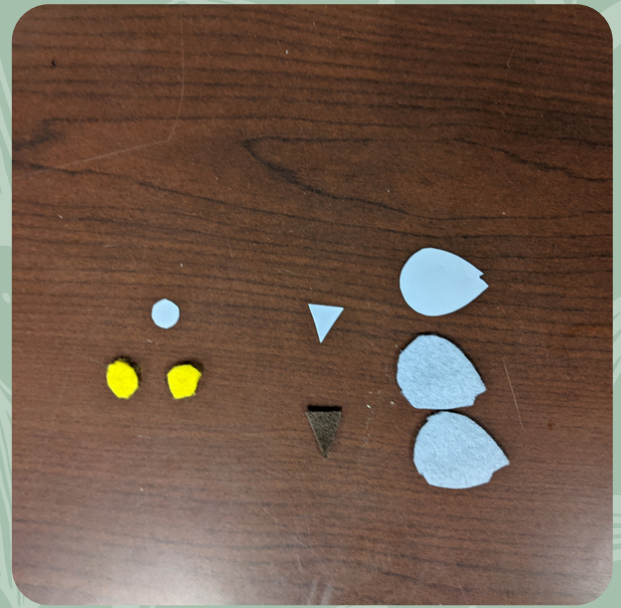

Cut out template pieces.
The smaller pieces for felt and the large rectangle on cardboard.

Trace templates on felt .
Yellow for the eyes.
Brown for the beak.
Grey for the wings.

Cut out felt pieces
and cardboard
pom pom maker.

Take one of the yarn strings and wrap it around the legs of the pom pom maker.

Then tie a tight knot around the pom pom using one of the short yarn strings.

Slide the pom pom
off the cardboard
then cut the loops
with scissors.

Trim the pom pom
to size. Starting with
small cuts.

Roll the pom pom
between your hands
a few times and
trim as needed.

Repeat the steps
above to make two
pom poms.

Glue one pom pom
on top of the other.

Trim the beak and
eyes if needed.
Then glue the beads
to the eyes.

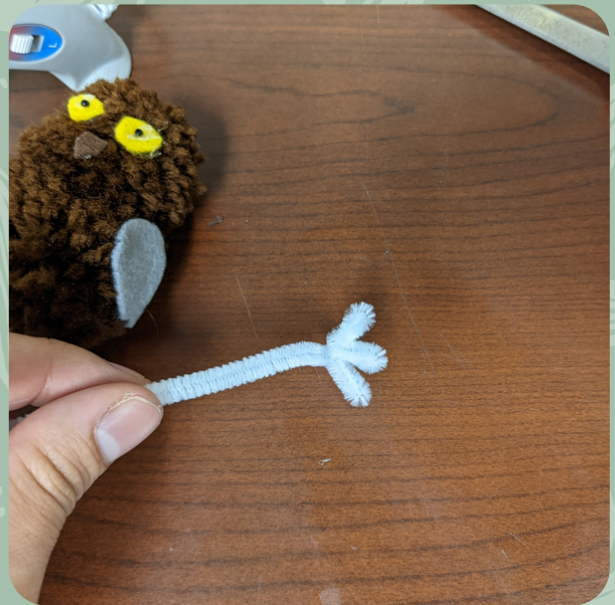

Glue the eyes and beak to the owl.

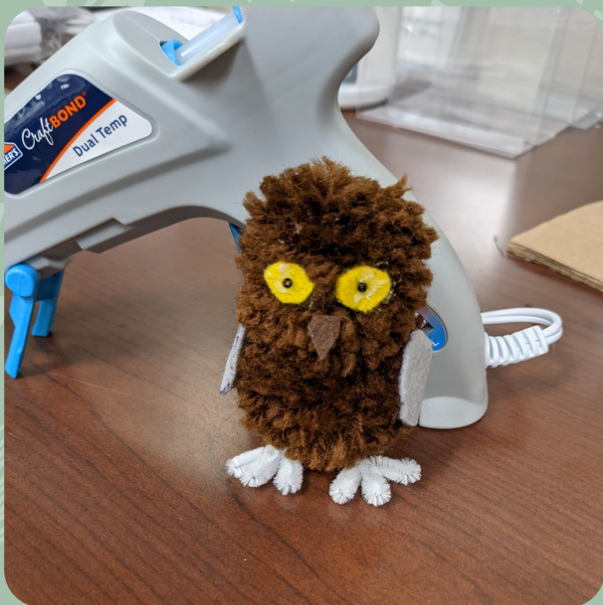

Glue the wings to the sides of the owl.

Fold the end of the pipe cleaner three times to make the owl feet.

Cut the first foot with scissors then make a second foot.

Glue the feet to the bottom of the owl. Then name your new friend!
