SOCRATES
Homeschool Command Center

Create a **FREE** Socrates Homeschool Command Center to access your homeschool student's analytics, assign homework, and more!

- Email **Socrates@WithSocrates.com** with the following information:
  1. Your full name, preferred email address, and phone number
  2. Your library's name, city, and state
  3. Your library card number
  4. Your homeschool student's information:
      - Full name
      - Library card number
      - Estimated grade level (if unsure, select a lower grade level)
  5. Repeat step 4 for any additional students

A friendly Socrates staff member will respond to you shortly with your Homeschool Command Center login details and any additional information.
