### Mini Beanie Yarn Hat Ornaments: Step-by-Step Guide

#### Step #1: Cut your craft roll into rings.

**A craft roll will make 5 mini beanie yarn hat ornaments.**

- With a ruler and a pencil, mark every 2cm. across your craft roll.
- With a craft exacto knife, carefully cut the craft roll at each mark, creating your craft roll rings.

#### Step #2: Wrap your craft rings

- Start with one yarn bundle & one craft ring.
  - Set aside a single piece of yarn from the bundle for the end.
  - Now, take the remaining yarn bundle pieces & fold them in half.
  - Insert one folded yarn piece at a time through the craft ring, passing the yarn ends through the yarn's loop & then pulling tight, making a knot.
  - Repeat these steps with all of the yarn pieces.
- Your craft ring should now be covered in yarn.**

### Step #3: Shape your mini beanie hat

- Once the craft ring is completely covered in yarn, pull the yarn pieces through the craft ring to the other side.
- Now, use the single piece of yarn that you put aside earlier & tie a tight knot around the yarn bundle. **This will create the shape of your beanie hat.**
- Tie another knot at the ends of your single string – making a loop for hanging your ornament.
- Now, trim down the top of the yarn bundle of your beanie hat into a pom pom.
- Repeat these steps for the rest of the craft rings.

**You've now made five adorable handmade  
Mini Beanie Yarn Hat Ornaments!**

**We hope you've enjoyed this fun and  
creative project!**
